11. Medora Logan Waller (Md. Robert W. Waller)
or Dora

NOTE:

(Not pictured) Lucian Logan died when a baby,
around two years of age.

Note1: It appears to me that Tommy Logan is the one standing in the photo: the man identified as Tommy in row two is bald; Tommy was partially bald in the second photo

Note2: Mary Elizabeth Logan Johnson, who is first in row two, died 29 Jun 1903.
